JURY MEETING After the race

Present: Thomas Granlund (TD), Eero Sandgren (TDA), Chief of competition Tero Kylä-Kaila, Leila Kautto (Race secretary)

1. Competition review

- a. The competition went well all in all, no timing problems and tracks were alright condition
- b. Temperature was approximately -10 below
 - i. Probably because of the weather there were quite a lot of interruptions in race.
- c. TV production was again very good
- d. Decided that athletes can bring clothes near the Finish area because it is going to be very cold.
- e. Track setting (it was on a write side all the time – not ideal line) may have been one factor causing problems for the and cause reprimands for athletes unnecessarily
- f. Test area is working well now but it can be developed for next year
- g. The co-operation between the organization members has been well, and athletes and teams were very happy with the organization of the races

2. Reports from the Jury and organization members – no reports

3. Protests

- a. No protests

4. Equipment controlling – fluor testing

- No problems with the test today
