Olos 16.11.2025 at 09.10

Present: Thomas Granlund (TD), Eero Sandgren (TDA), Chief of competition Tero Kylä-Kaila, Leila Kautto (Race secretary)

1. **Competition preparations**
   - Weather is clear and cold, temperatures varying between -11 C to -17 C but there is no wind.
   - **Condition of the track**
     - track is in excellent condition. But it is very slow due to the freezing. In some places there are reindeers feces on the lanes. That will be removed before the race.
   - EQ-timing is ready for the race. People at the start should be vigilant at the start area because there will be many who do not ski and there will be gaps in the start lists.
   - No technique control today
   - LIVE broadcasting provided by IS-TV
   - Wax-testing should be ready for the race.

2. **Entries, late entries, changes**
   - Start lists are ready and all the necessary changes has been made in terms of athletes who have notified their absence before the start lists have been developed
   - Existing sanctions
     - Warnings and reprimands: Bruna Moura (BRA)

   Other matters
   - No other matter

3. **End of the meeting**
   - TD closed the meeting at 09.30
